## Exceptional Agility for Multi-stop Delivery

City streets and neighborhood roads are no contest for the Wabash Cargo Body featuring DuraPlate Technology. The low-profile design and exceptional maneuverability make for a smooth ride. Designed for practicality and flexibility, the Cargo Body cutaway is the solution to get in, get out, and move on to the next stop.

### Features

- DuraPlate sidewalls for extreme durability and damage resistance while increasing cubes
- Low-profile design and low floor height for easier cargo access
- One Piece Header System eliminates corner caps, increasing front wall strength
- Stand-up interior height for comfortable access
- Step bumper for easy and safe cargo area entry
- Solutions available for traditional, alternative fuel and electrified chassis
